## Walk the Walk Week

It's good to have you all back on campus. I hope you had a great break. Tomorrow marks MLK Day. It's a federal holiday not only to honor the legacy of an important man but also to allow us to pause and reflect on the current state of our society and how we are living out his legacy in our own lives.

Institutionally, Notre Dame has increased their commitment to this important day. That's why classes are cancelled tomorrow afternoon. A few events it would be good to have you represent the entire hall:

### Midnight March & Prayer Service

The more people we can get at this the better. The hall staff will all be going to this event, leaving tonight at 11:30 PM. The University has asked everyone to arrive by 11:45 in order to hand out candles. At 12 AM

### Lunch Tomorrow

There is a special lunch and program in the JACC which is a ticketed event. If you were given a ticket to the event I would highly encourage you to make sure it is used. If you have a conflict, give your ticket to someone else.

In addition, both dining halls will offer special community lunches. You will swipe in as your normally would with your ID.

### Mass on Monday

Father Jenkins will preside at Mass in the Basilica at 5:15 PM. I will be serving as an extraordinary minister at that Mass. We will not be having Mass in the hall tomorrow morning.

## *New Residents/Welcome Back from Abroad*

We make a big to-do out of guys that are new in the fall semester with Welcome Weekend, a big move-in and all the other welcome events that occur in the first few weeks of school. The second semester is quite different. We have a handful of guys that are brand new to O'Neill this semester. If you see one of them make sure to introduce yourself and to make them feel at home here in O'Neill.

## *Reminder about Open Windows/Shoes/Winter*

You all saw my e-mail on Saturday about windows. Every year we have an issue with a pipe bursting. I know your rooms can get warm but please keep your windows shut.

In addition, it is also boots weather. With limited space in your room and messy boots I get the need to keep them in the hallway. One pair of shoes in a hallway doesn't necessarily create a problem but 40 pairs in a section makes it difficult for the housekeepers to navigate the vacuum through the hallway. At the end of the night, please put all personal belongings inside your room.

## *Get Involved with Hall Government*

Now is a great time to get involved with hall government. As a former hall president myself it is a great way to get involved and contribute to community life. Meetings are Tuesday night at 9:15 PM. It's also a good time to consider running for hall office.

Sometimes they even have free Spanky's.

## *Spanky's Coffee*

If you are interested working at Spanky's this semester in either mornings or afternoons let me know. We are going to get the coffee shop up and running again and I'm targeting February 1 to officially open.
