Room Inspections

By this point you should have received an email from me with information on the room inspections occurring next Sunday from 10 PM until 12 AM. The AR's and I are splitting up the building to get these done as soon as possible. Each inspection should take no more than 2-3 minutes. **While this process is different than last year it is not different than the decade prior to that and is consistent across campus.** This change is likely due to the fact that last year was a disaster from a move-out, trash and reporting standpoint.

One change I know is that beds have to be delighted which is likely the most painful. I know this may pinch you guys with storage of furniture, TV's and the like. I would get on the ball and call local storage units in the next day or so to reserve your spot. The only silver lining I will provide is that it will make finals week easier for you. For those of you that are new to the hall there is no in-hall storage as the building is used during the summer for conference, sports camps and reunions. Your final check-out and room inspection will occur with your RA at which point you will turn in your key, the RA will verify the condition of your room and then you can say goodbye.

You are welcome to keep your furniture in your room after you rearrange your room but you won't be able to leave it in common areas which will need to remain clear for use during the coming days.

Also a reminder that the Housing contract states that if you are not approved to stay for senior week you are required to move out the earlier of 24 hours after your last final or Saturday, May 10 at 2 PM. The final check-outs will take place at 1:30 PM. Avoid fines and make sure you are out on time!

Mass Next Sunday at 4 PM - Hall Party Afterwards

Next Sunday we will be celebrating Mass at 4 PM in the chapel. During this Mass we will be: saying goodbye to the seniors, commissioning next year's RA's and thanking people who worked really hard to make O'Neill the great place that it is today.

After Mass we will have a party in the courtyard behind O'Neill (or the 24 in the event of rain). There will be lawn games, BBQ catered by Nelson's and other fun stuff.

Spanky's

If you are interested in running Spanky's next year please email me by the end of the week with your availability for next year as well as a business plan with product ideas, hours of operation and other details you think would be relevant. Compensation will be any hours you work + 25% of the profits. I am looking for one person to fill this position for next year.

Fisher Regatta

We need a 6-man Fisher Regatta team for this weekend. Get in touch with Ryan Boccabella at rboccabe@nd.edu or Room 415.

Text Club

Some of you were able to experience the O'Neill Hall text club today for the first time. You can join by sending the text "@oneillhall" to 81010. There will be a few helpful reminders this week (and maybe a surprise or two).

RA Section Assignments

The RA section assignments for next year will be:

1A - Kyle McCaffery

2A - Michael Hayes

2B - Jack Riely

3A - Ben Lowerison

3B - Erik Carlson

4A - Ian Flyke

4B - Ryan Boccabella

If you see any of these guys around, make sure to introduce yourself. I know they are excited to get to know the guys in their new home in O'Neill.

Siblings in O'Neill

If any of you have a sibling that is planning on attending Notre Dame and would like to have them live in O'Neill please let me know and **have the brother email me directly by Thursday at the latest.**

MobSTARS of the Week

Kevin Culligan, Brian Severyn, Tom Taylor and **Jon Rydburg** won the Duncan Classic with a score of -5 for only 9 holes of golf. **Brendan Mulshine** won the individual championship after firing a 41 today.

Austin Swift and **Matt Yoder** were excellent in Dead Man's Cell Phone which was the spring FTT production. We had a great crew from O'Neill there to see the play on Sunday. Thanks to newly minted Hall President Pat DeJong for organizing. **Ben Woodley** worked on the production team.
